## Show Schedule Highlights:

### Columbus

In 2020, Columbus will switch over to a World's Greatest Hobby on Tour event (January 4-5, 2020), so there will be no GTS event in January. We have however, added a summer show in Columbus.

### Dallas/Fort Worth - Great Texas Train Show

We will be returning to the DFW market with our newest brand, the Great Texas Train Show! We had a several nice shows already and we were happy with the growth. We will charge a basic admission of \$8.00 for adults. Kids and parking are still FREE. Since we will now be selling tickets as opposed to coupons, we will be able to sell advanced tickets via our website, which greatly helps attendance. With each ticket purchased, folks will be given a **\$5.00 certificate**, good for use at the show with any dealer. At the February show this worked great! This will give the public tremendous value for their money and will drive strong sales for the dealer, as everyone will want to spend at least the value of their certificate. I am sure many folks will use the certificate to buy that higher priced item they have been thinking about. We are very excited about this show.

### Collinsville, IL

As always, Collinsville will be over Thanksgiving weekend. This year, we will be bringing our Thomas the Tank Engine train ride we use at WGH. Thomas will be featured in the advertising and will drive an even larger crowd.

### Overland Park, KS

We had a very nice show here last year and everyone asked if we would be returning. We are!

### Grayslake

This show massively benefited from moving to the weekend between Christmas and New Year's Eve last season. While we had to deal with the Holiday being Sunday, it worked out very well, so we are keeping it right there, especially since the holiday will not impact us this year. The show is December 28 & 29, 2019, so there are no holiday related issues to deal with. I would look for an even larger crowd and more dealer participation as we will be bringing our Thomas train ride here as well.

### Boise, ID

Last year, we added Boise. The show was excellent and we are happy to be returning. The show again lines up with Puyallup and Portland, so a very nice three show run is available in January. Make your plans now.

### Ventura, CA

Last year, we also added Ventura. The show was excellent as well and we are happy to be returning. I was able to move it off of the Portland weekend, so those of you that wanted to do both shows no can.

### Indianapolis, IN

We have moved the show to the Exhibit Building which will offer its own parking lot for close, convenient parking for all!

### Novi, MI

We are happy to have Novi return to our normal GTS event.

### Dayton, OH

The fairgrounds built two new building last year, and we are excited to be returning to Dayton.

## What Is Acceptable Merchandise?

We are trying to maintain a family-oriented theme to the shows by allowing children in free. While the focus of the show is model and toy trains, we do allow other toy and hobby related items which contribute to the family atmosphere. We want trains, toy and other hobby items. You can sell train items, toy items, dollhouse and miniature items, and almost anything that could be a family shared hobby - not purses, jewelry (that does not have a train or toy theme), guns, food, knives, or anything pornographic. If you would not see it in a good hobby shop you should not see it at the show. Our show managers are empowered to use their judgment about what is appropriate and what is not. Please just let common sense prevail.

## EXHIBITOR SPACE OPTIONS

There are three different space options available:

**8' x 30" Table**

*Regular 8' x 30" tables are normally set in rows side-by-side.*

**8' x 30" Wall Table**

*Wall tables are **guaranteed** to be placed along a wall. Typically 2-3' of space is left behind the table.*

**10 1/2' x 10 1/2'**

*Booths include 3 tables. The tables can be rearranged however you'd prefer, as long as they are kept within the 10.5' x 10.5' space\*.*

\* If you purchase more than one booth, you have the combined space to rearrange however you prefer. For example, if you purchase two booths, you have a combined space of 10.5' x 21' and a total of six tables.

Dealers may not remove any merchandise from their area until the close of the show Sunday evening. **Violation of this rule will lead to exclusion from future shows** and may result in a claim for damages for negatively impacting the shows appearance. The show is open to the public from 10:00am to 4:00pm on Saturday and Sunday. Set-up time for dealers is from 10:00am to 5:00pm Friday and 7:00am to 9:30am on Saturday. In the event these hours change, you will be notified. Dealers must arrive by 9:00am Saturday to retain their contracted show space. On Friday, the hall must be vacated at 6:00pm. On Saturday, the hall must be vacated upon notification by the show managers at approximately 4:05 PM. All Dealers will be readmitted at 9:00am on Sunday and must vacate the hall by 9:00pm on Sunday.

**CONTRACTED SPACE:** Purchase of ONE TABLE or ONE WALL TABLE equals 8 feet by 4 feet total contracted area, with a table surface of either 8 feet by 30 inches or 8 feet by 24 inches. The 3' exhibitor aisle between must remain unobstructed unless dealer purchases both tables that border the aisle. Purchase of BOOTHS at will receive 3 tables in a 10.5' x 10.5' area. Booths at the Great Texas Train Show are sold at the rate of 3 tables, \$75.00 each. Size and re-arrangement options are similar to the GTS model.

**BADGES:** Dealer/Exhibitor badges are to be used only by those working at dealer tables or assembling and operating displays. Dealer/Exhibitor Badges **must be worn at all times** including set-up, show hours and tear-down. Only persons with Dealer/Exhibitor Badges will be allowed in the hall during Friday/Saturday set-up. Badges are not to be given to any person for the purpose of shopping during non public hours, or to access the show early. Violations of this rule will lead to exclusion from future shows and may result in a claim for damages for negatively impacting the shows security.

**DEALER SPACE:** Dealer space is sold two ways:

1. **Permanent exhibit space** will provide the Dealer with the same location at a particular venue for every show. Dealers need only sign up once and this agreement will remain in effect until terminated by one of the parties. Dealers will have purchased the same location at every show held in a particular venue. In order to terminate this agreement 90 day notice is required by either party. Train Show Inc. will advise Dealers of shows, price and other policy changes at least 120 days in advance of any show. **This is the only way to get the same location at every show.** Permanent exhibit space cannot be cancelled but may be resold by a Dealer to another Dealer of their choice at a price they determine. Any resold tables must still follow all the rules and regulations of the show. Resale of tables for two consecutive shows may forfeit location within show.
2. **Nonpermanent exhibit space** will provide Dealers with a location on a show by show basis subject to availability. Locations will change for nonpermanent Dealers/Exhibitors based upon the needs of permanent Dealers/Exhibitors and other factors.

Dealers/Exhibitors may not place anything in the aisles, between, behind, or at the end of tables so as to impede customer and dealer movement in the aisles. Dealers may not use tables or boards to extend the surface of the table. Table covers are required at all shows.

**CANCELLATIONS:** For nonpermanent spaces cancellations received more than 90 days in advance of a show will receive a full refund. Cancellations within 90 days of a show will receive no refund and if guaranteed to a credit card, credit card will be charged when space is cancelled. Space guaranteed to a credit card, where the dealer does not pay at the show, will be charged immediately after the show and will include a late fee of \$10.00 per table. Dealers/Exhibitors may resell their space to someone else but they remain responsible for all elements of this dealer contract.

For permanent spaces cancellations do not apply but space may be resold. The permanent table agreement may be terminated upon 90 days notice with no further obligation.

**SECURITY:** Security service or guards are normally on duty from 5:00 pm Friday to 7:00 am, Saturday and from 4:00 pm Saturday to 9:00 am Sunday. Train Show Inc. assumes no responsibility for dealer loss. We recommend that you cover your display Friday and Saturday nights. When you leave on Friday and Saturday, take all personal belongings with you. **NO ONE** is admitted into the hall under any circumstances after the Train Show Management Staff leaves the facility.

**PARKING:** Any parking fees required by the facility are the responsibility of the Dealer.

**ACCOMMODATIONS:** Hotel reservations are the responsibility of all Dealers. Many hotels offer special weekend rates that can only be obtained on an individual basis. You may mention Great Train Show when you make your reservation: some hotels offer reduced rates in conjunction with a show. All Dealers/Exhibitors are responsible for calling, negotiating the best rate and making their own reservations.

**DOOR PRIZE CERTIFICATES:** We offer Door Prize Certificates as door prizes on both Saturday and Sunday. The Certificates are to be used as cash in the hobby marketplace. If a customer makes a purchase at your table using a door prize certificate, deduct the face value of the certificate(s) from the total purchase, which would include tax, if applicable. Take the door prize to the Show Manager and you will be reimbursed for the total face value of the certificate(s).

**LOCATION CHANGES:** In order to maintain a permanent table location you must sign up for permanent tables. While non permanent table holders may receive the same location, it is subject to change if a permanent exhibitor desires the space or we need to make floor plan changes.

**NO CHARGE EXHIBIT SPACE:** For certain items which are attractions for the public at the show, Great Train Show and Great Texas Train Show will provide no-charge exhibit space. These attractions can include operating layouts, workshops, and non profit organization promotion tables. To receive no charge space the no charge exhibit space contract must be completed. All dealers will be charged the stated rates in this contract unless a no charge exhibit space contract has been completed and agreed to by Great Train Show. No oral agreements or past precedents shall impact this contract. This contract is the entire agreement between the parties and shall not be affected by oral agreements and can only be modified by written agreement signed by both parties.

**SEVERABILITY:** If any term of this contract or its application is found to be invalid or unenforceable, the remainder of this contract and any other application will not be affected.

**NO WAIVER:** The failure to insist upon the strict performance of this contract does not constitute a waiver of Train Show Inc.'s rights hereunder. No provision of this agreement may be deemed to have been waived by Train Show Inc. unless the waiver is in writing signed by an officer of Train Show Inc.

**ACCEPTANCE OF CONTRACT:** Upon acceptance of this contract by Great Train Show/Great Texas Train Show, a written confirmation will be mailed to the dealer. If the dealer does not receive a confirmation within 15 business days of submitted this contract, he should contact Great Train Show/Great Texas Train Show to determine the status of the contract.
